Dear Barry:

Your proposal dated June 22, 1995 for the rental of the Delray Beach Tennis Center was accepted by the City at the their city commission meeting August 15.

We have signed off on the agreement and we're looking forward to a successful event.

Sincerely,

Sharon S. O'Connor

P.S. I have enclosed a recommended security schedule from the Delray Beach Police Department. This does not provide for any security inside the stadium; however, I'm sure they could do it if you wanted their services.
